Generation spandeck walkway system

Generation Spandeck is a lightweight aluminium walkway bridge, work platform and staging system in one versatile unit for indoor and outdoor locations. High strength aluminium alloy construction ensures that Spandeck is lightweight and maintenance free whilst integral toeboards enable it to be used safely as a walkway. Guardrail posts and guardrails are fitted to provide a safe working environment.

Walkways can be mounted on rollers to provide mobile Access Gantries.

Accessories

Integral Horizontal Safety Line system (requires harness)

Trailing Edge Protection

Spandeck Roofing Trolley

Spantrack Continuous Safety Line (requires harness).

Safe Working Loads	
Part no.	SWL
